Description:

Just one mile north of Osage, this nearly 4-acre property is ready to become your Northwoods hunting, ATV, and outdoor recreation headquarters. Tucked beneath heavy tree cover with no neighbors in sight, the setting feels private and secluded while still offering convenient year-round access.The drive-through driveway is a major bonus for anyone hauling boats, ATVs, UTVs, snowmobiles, or hunting trailers. A covered shed, originally used as a sheep barn, provides valuable storage and protection for your recreational toys, equipment, boats, and gear.The 3-bedroom, 1.5-bath home offers enough living space to make it well suited for a full-time residence, hunting camp, or weekend getaway. There's room for the crew, a large main living area to gather after a day outdoors, and plenty of basement storage for hunting clothes, canning supplies, equipment, and seasonal gear.Outside, mature trees provide exceptional shade and privacy, and the home sits far enough back that you can't see the road—or any neighbors—from the house. With nearly four manageable acres, there's room to enjoy the outdoors without spending every weekend maintaining a large property.Close to the hunting, fishing, ATV/UTV riding, snowmobiling, lakes, and outdoor recreation the Osage and Park Rapids area is known for, this is an affordable opportunity to create your own basecamp in northern Minnesota—with room for the toys and the privacy to truly get away.
