Description:

Lake life on Middle Cullen Lake! Welcome to 7156 South Wallins South Shore Drive in Pequot Lakes. The sellers just had the lower level professionally finished, adding two bedrooms and making this a true 4 bed, 3 bath lake home. The heated garage bonus space is a standout. Use it as a third stall, keep your boat inside for the season, or do what these owners did and set up a home gym and office. Spend summer days on the water and cozy winter nights inside, all just minutes from downtown Pequot Lakes and the Paul Bunyan Trail. Whether you're looking for a year-round home or your next lake country getaway, this one is ready for you.
