Description:

Estimated completion May 2026! Set on 2.36 wooded acres, this thoughtfully designed one-level home blends modern comfort with quiet natural surroundings. The setting offers privacy, mature trees, and easy access to nearby recreation. Inside, quality craftsmanship and smart design details are evident throughout. Radiant in-floor heat and full air conditioning create year-round comfort, while European white oak flooring and Marvin casement windows bring warmth, efficiency, and timeless style. Nine-foot ceilings and insulated interior walls enhance both openness and sound control. The open living space is designed for everyday living and effortless entertaining, centered around a Kozy Heat gas fireplace. Custom soft-close cabinetry and Level III quartz countertops run throughout the home, complemented by a spacious walk-in pantry and large laundry area with oversized washer and dryer. Bayer Built solid core doors add durability and a refined finish. The primary bath offers a spa-like retreat with a large tiled shower with custom glass door and a Kohler soaking tub, the perfect place to unwind after a day outdoors. The heated three-car garage includes a floor drain and 288 sq ft attic storage space equipped with a garage Auxx-Lift system. An on-demand hot water heater/boiler combo adds energy efficiency and convenience. Outdoor living is equally inviting with a 283 sq ft screened porch, ideal for relaxed evenings and seasonal enjoyment. A hot/cold exterior hose bib adds practical functionality for year-round use. Built with durable LP SmartSide siding, this home balances modern performance with lasting curb appeal. Located near golf courses, walking trails, and abundant outdoor recreation, this property offers the best of peaceful living with plenty to explore nearby. A modern home in a quiet, wooded setting, ready to enjoy from day one. Schedule your private showing today.
