Description:

Single-Level Lakefront Paradise on Cass Lake – Premier Location, Private Setting

Experience Up North lake life at its finest on the crystal-clear waters of Cass Lake, one of Minnesota's most sought-after fishing and recreational destinations. With over 26,000 acres to explore on the Cass Lake Chain, you'll enjoy endless days of boating, fishing, and lakeside fun without ever retracing your path.

This beautifully crafted and built in 2015 home sits on 1.86 private acres with 100 feet of sandy shoreline along the luxurious north shore, offering panoramic views of Star Island—and just a short boat ride to lakeside restaurants and fun local spots.

Swim or fish right off your dock, relax at the shoreline firepit with the sound of waves crashing, or store your lake toys in the convenient lakeside shed. Every detail of this home embraces northern Minnesota charm, from the custom hickory cabinetry to the stone fireplace in the light-filled living room.

The open-concept layout features a spacious kitchen with center island, tiled backsplash, and stainless steel appliances. The adjoining dining area flows seamlessly into the living room and out to the covered lakeside porch—perfect for morning coffee, evening sunsets, or even watching TV outdoors.

All three bedrooms are on the main level, including a luxurious primary suite with a clawfoot soaking tub, walk-in shower, and dual vanities with custom cabinetry. A ¾ guest bath and a large laundry room just off the garage make this home as functional as it is beautiful.

The attached double garage is an absolute showpiece, featuring steel walls and ceiling, rustic wood accents, and a built-in workbench. PLUS A detached double garage provides even more space for your boats, ATVs, and lake gear.

Additional features include:

- *Lawn irrigation system
- *Gentle 2-step entry or ramp to enter home
- *Located just 19 miles to Bemidji and 15 miles to Cass Lake
