Description:

Pristine Pickerel Lake! If you're drawn to the quiet beauty of a true "Up North" lake and dream of a custom-built Tomahawk Log Home, this stunning property is sure to impress. Beautifully landscaped on an elevated bluff with 182 feet of natural shoreline, this meticulously maintained 4-bedroom, 3-bath home—built in 2000—offers 3,500 sq ft of warm, inviting living space.

Inside, you'll find vaulted wood ceilings with log beam accents, log-sided walls, and a true masonry wood-burning fireplace that anchors the main living area. The craftsmanship shines throughout with Marvin aluminum-clad windows, an ICF foundation, custom hickory cabinetry, Corian kitchen countertops, stainless steel appliances, and Hickory and Australian Cypress hardwood floors.

Additional features include two spacious primary bedrooms, a bright sunroom, a cozy 3-season porch, and a handcrafted log staircase that leads to a loft sitting area overlooking the great room, one of the primary bedrooms, and the scenic views framed by the grand windows. A heated 24x30 detached garage adds both functionality and convenience to this exceptional property.

Located just 15 minutes from Detroit Lakes, this is a rare opportunity to enjoy one of the area's most sought-after lakes—where peace, privacy, and natural beauty welcome you home.
