#### Description:

**A Rare Lakeside Gem on Gull Lake – Your Perfect Retreat Awaits**

Once in a great while, a truly exceptional lake home comes to market—and this is it. Wake up to breathtaking panoramic sunrises and spend your days splashing along the sandy shoreline. Prefer a slower start? Sip your morning coffee from the expansive wraparound deck while soaking in serene views.

Inside, the lakeside great room is a showstopper, featuring a dramatic wall of windows and a soaring 1.5-story fireplace that anchors the space with warmth and charm. The original owner was a master mason, and it shows—quality brickwork graces the home throughout.

Gull Lake is great for fishing and water sports! 175 feet of waterfront! Privacy galore. Lovely extra lot across the road. Recent upgrades include newer windows, siding, roof, and a beautifully updated kitchen. Privacy abounds thanks to the mature trees surrounding the property, creating a peaceful, secluded atmosphere.

One level living is entirely possible with the main floor laundry room and a large bedroom on the main level. Every level has a bathroom and a bedroom. 5 Bedrooms possible septic system is compliant for a 3 bedroom home.

Above the garage, you'll find an additional 1,141 square feet of finished living space—ideal for guest quarters, a short-term rental, an artist's studio, or a spacious home office. This versatile area includes a bedroom, bathroom, and kitchen setup. Gull Lake is an environmentally sensitive haven teeming with wildlife: eagles, loons, swans, ducks, and more. Watch red-winged blackbirds playfully chase eagles overhead—nature's drama at its finest.

An extra lot across the road is included, offering even more possibilities. The home features multiple heating options: wood, propane, and electric. Two fireplaces—one wood-burning, one gas—add cozy ambiance. Electric service extends to the shed and near the shoreline for added convenience.

Located just 20 minutes from Bemidji, this meticulously maintained home also offers fiber optic high-speed internet—perfect for remote work or streaming your favorite lakefront moments.

Prepare to be spoiled. This is more than a home—it's a lifestyle.
