Description:

Here is a truly unique property that could make your storybook dreams come true. Imagine being the Lord and Lady of your own castle in this fairytale home!

This property was originally designed as a 5-bedroom bed and breakfast and an additional 2-bedroom owner's apartment located in the "TOWER." It would be an ideal location for a Gamer's Retreat or a Renaissance Festival site. Situated on 19.5 acres in the heart of vacation land, this versatile property could support various business opportunities or even a hobby farm. It's just across the road from 11th Crow Wing Lake, offering clear water fishing and beautiful beaches. You'll also find yourself very close to fine dining, as well as biking, hiking, and 4-wheeling trails. There's also great hunting opportunities within all the state forest just around the corner. Your family and guests will have the chance to experience all the natural beauty that northern Minnesota has to offer. Furthermore, this home comes with an array of "extras" for your enjoyment, including a theater, library, game room, exercise room, gazebo, perennial gardens, a special "secret room" and, last but not least, a Knights of the Round Table Dining Room. Let me be your fairy Godmother and help make this storybook dream a reality for you.
