Description:

Coming soon, this first time offering on Thunder Lake—one of Northern Minnesota's most pristine and sought-after destinations. Known for its crystal-clear deep waters and phenomenal walleye and smallmouth fishing, this lake embodies everything we love about life up North.

Set on 150 feet of private shoreline, this four-bedroom, two-bath turnkey cabin has been fully dialed in, nothing needed, just arrive and enjoy. The main living space opens to vaulted ceilings and panoramic lake views, creating a seamless indoor-outdoor connection you want in a lake home.

Step outside the walkout basement to a gentle slope lot down to a hard, sandy beach perfect for swimming, and a deeper drop-off at the end of the dock that's ideal for diving in on a summer afternoon. Whether you're grilling on the deck, gathering around the firepit, or hitting the ATV trails into the Land O' Lakes State Forest for a hike or snowmobile ride, this is where memories are made.
