Description:

Welcome to The Pelican Cove, where lake life is simplified. This new development on Pelican Lake offers a rare opportunity to enjoy one of Minnesota’s most sought-after lakes—without the cost and complexity of traditional lake ownership.

Located on the southeast side of Pelican Lake, this cottage community features 566 feet of shared shoreline, a sand beach, captivating sunsets, fire pits, and just 14 designated boat slips—a true scarcity on a 3,000+ acre MN lake. This offering is for a future lake home with a foundation size of up to 800 sq ft, located directly across the street from the lake, all designed for easy ownership.

Storage shed pads are also available across the street for \$50,000, making lake life even more convenient.

This development is ideal for first-time lake buyers, families upgrading from seasonal RVs & rental lots, or lake homeowners seeking additional overflow guest space.

The community is designed for connection, comfort, and flexibility. Contract-for-deed options make Pelican Lake living more attainable than ever. Whether you’re looking for weekend getaways, a building project, or a smart investment, Pelican Cove is your easy way into Pelican Lake life—but opportunities like this don’t last long. This is the LAST LOT for sale.
