Crosslake MN 56442

Status: Coming Soon

Description:

Welcome to this beautifully designed, nearly new home in Crosslake, offering the perfect combination of modern comfort and Up North living. This property features 3 bedrooms plus a versatile bonus room on the main level, ideal for a home office, guest space, or additional living area. The open-concept layout is warm and inviting, highlighted by a gas stone fireplace and striking circle-sawn wood ceilings, wainscoting, premium tile and granite that add character and charm throughout the living space. The kitchen features stainless steel appliances, custom-built soft-close cabinetry, and flows seamlessly into the dining and living areas, creating an ideal setup for both everyday living and entertaining. Enjoy the convenience of 3 bathrooms and a spacious laundry room with additional storage. The crawl space/basement houses the utilities, offers ample headroom to walk through, and provides excellent storage options. The wrap-around 3-season enclosed porch allows you to enjoy the private wooded surroundings and extends your living space seasonally by an additional 1040 square feet, giving you a total of 3,156 square feet of living space. Step outside to a concrete patio complete with a natural gas hookup for grilling, perfect for relaxing or hosting. Situated on a corner lot with a paved circular driveway and drive-through access, this property is designed for ease and functionality. The impressive 60x50 attached garage features an extra-tall overhead door, in-floor heat, floor drain with heat tape, is plumbed and gas-ready for an additional ceiling heater, has an outlet for an air compressor, and includes a storage area above. To the side of the garage is an additional concrete pad for RV's, trailers etc. All this offers exceptional space for vehicles, recreational gear, and more. An additional lot may be purchased in conjunction with this property or separately after closing, offering flexibility to expand, build, or secure additional privacy MLS#7057882. The Seller is giving 1st option to purchase to the buyer of the home. With its thoughtful design, quality finishes, and desirable Crosslake location, this home is a rare opportunity to enjoy newer construction with all the extras already included.
