Baxter MN 56425

Status: Active

Description:

This spacious 5-bedroom home offers nearly 4,000 finished square feet with over 2,000 square feet on the main level alone. Designed with accessibility in mind, the home features wheelchair ramp access, wide doorways, grab bars, and a large main-level layout that is easy to navigate. Four bedrooms, main-floor laundry, and 1.5 baths are all located on the main level, making this a great option for those looking for accessible or single-level living. Enjoy the 4-season sunroom or screened-in back porch overlooking the yard. The lower level provides even more space with a large family room, fifth bedroom, half bath, and plenty of storage. Recent improvements include a newer roof and connection to city sewer and water. New city streets are also scheduled to be completed soon. Conveniently located in Baxter, this home offers an uncommon combination of nearly 4,000 finished square feet, extensive accessibility features, and a functional layout.
