Description:

Welcome to paradise with your Schwartz Log Cabin Amish built home. This property is what the campers and RV parties are looking for. You now have a heated and cooled 1 bedroom home on 2.5 acres. The bedroom is the loft and can be sectioned off if needed. New buyers could put in a wood burning stove and this would truly be a year around property. Owners have cleared out the back portion of the property and planted wild flowers and have made this a place of serenity.....and that is just the home. You are, as the crow flies, within 2 miles of the best mountain biking in the state. So many trails to master and then add the fishing you can do and you are set. This property could be a great VRBO for the bikers and fisherman and snowmobilers but could also just be your private get away.
