Description:

Discover exceptional single-level living in the heart of the Crosby area, close to mountain bike trails, local events, and all the amenities the Lakes Area has to offer. This beautifully designed 3-bedroom, 2½-bath home combines luxury finishes with impressive energy efficiency, featuring in-floor heat, forced air, central air conditioning, a tankless water heater, LED lighting, premium Andersen windows, and Bauer Build exterior doors. The home is built with closed-cell spray foam insulation in the walls, 1½-inch spray foam in the ceilings topped with R-49 fiberglass insulation, and insulated concrete forms with 68-inch frost footings. The garage is equally well insulated, with spray foam and additional fiberglass insulation in the walls and ceiling. Inside, enjoy custom cabinetry throughout, granite countertops in the kitchen, bathrooms, and dedicated desk area, a spacious laundry room, and additional laundry hookups conveniently located in the primary walk-in closet. The primary bedroom features elegant tray ceilings, while the custom primary bathroom suite delivers a luxurious, spa-inspired feel. LP SmartSide siding and covered rear patio completes this thoughtfully constructed home, offering comfort, luxury, quality, and efficiency in a fantastic Crosby location.
