Description:

A secret room, heated shop, and 13+ acres along the winding Buffalo River make this property anything but ordinary! Walk among mature trees, watch wildlife or grow your own food while enjoying the peace and privacy of your own acreage. Inside, original woodwork gives the home its character, from the detailed dining room ceiling and staircase to the hardwood floors. The updated kitchen features granite countertops, while spacious living and dining areas and a main-floor office offer room to gather, work, or relax. The oversized entryway provides plenty of storage and a place to kick off your boots. Downstairs, you'll find a comfortable family room, high ceilings, a spacious nonconforming bedroom with daylight windows, and the secret room! The heated, insulated shop, large barn, and Quonset provide space to work on cars, store equipment, run a business, shelter animals, or more.
