**Description:**

This impressive home is full of pleasant surprises inside and out. A full basement, main level and split second story create tons of space and unique areas of this home unlike any other. Upstairs, an elegant master bedroom/bathroom with shower and tub are the main highlights; however, a huge guest room and two spare bedrooms are also charming. And don't forget the hidden room, a classic behind-the-bookshelf setup! This home leaves out nothing that one would want in such a large, impressive layout. The main floor includes a full living room, family room/ formal dining room, professional-looking office, spacious kitchen and bright backyard views. Downstairs, adults and children alike can appreciate the wide-open spaces, entertainment areas large enough for foosball and pool, a wet bar and yet another spare bedroom.
