Description:

Are you looking for that log cabin in the woods? Here it is! Backs up to the Paul Bunyan State trail!! Handsome Log home with a split rock granite field stone fireplace. 15 minutes to Walker and 25 to Bemidji. The home is unfinished so bring your creative ideas. The septic is very large on this home so there is potential to have 3-4 camper sites...for extra summer income. This home has many possibilities! It is a perfect project home in a cozy "up north" location. Close to many lakes and more. On a paved road too. Attached garage door has been removed and boarded up... but the garage could be converted back into a garage. Storage shed in back. Would be a great location for a business or an Air BNB! Septic is compliant! Get your log cabin ready for the summer now!!
