Muskie Bay Lodge on Baby Lake sits on a south-facing point surrounded by prime fishing water, with 1.86 acres & boasts 332' of shoreline, that insures a private setting. The newly-built, nearly 2900 sq ft house, blurs the line between a home & a working lodge. Inspired by the Adirondacks & National Park Inn's, the home welcomes you with a corner fireplace, a 56" custom chandelier, large kitchen with granite, main floor bedroom & bath. It features slate, roughcut floors/walls, ironwood detailing & birch bark accents throughout. Large windows showcase sunrises & sunsets. The upstairs has 3 bedrooms & 1 bath. The catwalk leads past built-in display cases, balsam fir railing with vintage oar accents & leads to a 3rd level lookout. A 24x36 garage has storage & a shower.
