Description:

Welcome to a premium hunting property that comes complete with a two-bedroom fully furnished cabin. This property not only has everything you could want in a hunting property but all the work has been done already. There is an extensive trail system, water ponds, food plots, stand sites, an established bear bait station, a meat pole, and a tool shed. You name it, this property has it! It's more than just a hunting property though, it's an all-around recreational property. It borders a snowmobile/ATV trail system and countless acres of county public land that allows you to explore and roam. It is very close to several lakes including the Crow Wing chain of lakes. The day I walked the property you could hear folks hammering ducks on the nearby Bladder Lake. If you are looking for an all-around great property that has top-end hunting and recreational value complete with a cabin, then look no further! Call today to book a showing! See Supplemental Doc
