#### Description:

Pore over one of the most unique listings one can find at this country setting on the outskirts of Park Rapids. Country living cuts no corners here, with numerous storage buildings, vibrant foliage and landscaping surrounding the house, a chicken coop, playhouse and a small, undeveloped section of lake frontage on Mud Lake. Step inside to a charming, cottage-style kitchen with huge oven range and beautiful views of the flowers and yard. A second, guest kitchen and suite is attached and directly accessible from inside of the home. A former living room area now functions as a massive master bedroom and includes laundry and a huge walk-in closet. Spend the rest of the summer days walking the trails, tending to plants both outside and in the greenhouse attached to the house. Then relax in the indoor, built in sauna to end the day.
