Description:

Beautiful year round west facing lake home with three bedrooms and three baths. This home has recently been updated with a new oversized central air & two stage furnace, encapsulated crawl space, new flooring, paint, lighting, multiple ceiling fans, and much more. Plenty of storage space throughout and beautiful views from every window. The vaulted ceilings in the main living room make for a large entertaining space where you can enjoy the warm and cozy feeling of the wood-burning stove. A maintenance free composite decking allows breathtaking views of Broadwater Bay of Woman Lake. The lower level has two bedrooms, two baths, a loft which can be used as a third bedroom, & a second entertaining area/living room. The upper level is an oversized master suite with a private bath, jacuzzi tub, large walk-in closet, gas fireplace, and an additional loft area currently used as a home office. Your private marina with two boat slips & an electric boat lift are just around the corner
