Description:

Adorable two bedroom, one bath home sits on 1.92 beautifully wooded acres. Located just 2 miles from Menahga and 2 blocks from Stocking Lake, the location is perfect! There is a living room and also a bonus room that could convert to a large master bedroom with a walk out to the deck. Recent updates include new shingles, fresh paint and many new windows in 2023. This property has a two stall detached garage, and several sheds for storage or to make a shop. This would make a great summer retreat and a way to enjoy the lakes area without the lakeshore prices, a place to retire or a first time home! Septic is compliant. Rural properties are hard to come by at this price!
