Description:

Beautiful mature trees, rolling hills, and views for miles will welcome you as you pull up to this amazing property. Beauty and a well maintained 2 bed 2 bath home is only the beginning. A 4,000 Sq Ft geothermal heated & air conditioned shop is a mechanics dream already equipped with a hoist, an overhead crane, hose reels, 7 welding outlets, 6 electrical reels, 8 air hose reels for the industrial air compressor and last but not least there's a newly installed EV Charging station. The shop also has 2 overhead doors conveniently located on the East and West walls so you can store extra cars, machinery or any outdoor toys easily. Attached to this is a heated 2 stall garage giving you ample amount of space for all those car projects. If you are still in need of more there is another insulated 3 stall garage just steps away. But wait, there's more! Let your imagination run with a 24 ft 8 sided insulated & heated gazebo ready for anything - wood shop, play room, art studio, with a little TLC the sky's the limit for what this building can do. Additionally there is a greenhouse, storage sheds, & a small shelter that can house up to 4 horses. Set up a showing today to see it all for yourself.
