**Description:**

Potato Lake Wow! Over 8.8 acres of huge pines and 417 feet of shoreline with lots of privacy! This property has a wonderfully finished 30x40 shouse that can be used year round. It is finished very nicely and ready to enjoy. The lot lends itself to several great building sites in the future. The current septic is newer and is set up to have drain field added depending on the size of future home that is built. There is also a camping site on the east edge of the lot. Long boardwalk at the lake is easily accessible from the sloping trail down to the lake. Add to all of this a 1/12 interest in the "sandbar point" lot at the end of the trail for the best swimming area possible and dock locations if so desired.
