Description:

On the Western edge of Long Lake in Detroit Lakes, you will find this custom built lake home. This is not the first build for these owners. The home was positioned perfectly on the lot to take full advantage of the sun's path. The pool area, landscaping and yard are nothing short of extraordinary. The natural vegetative buffer provides privacy to ensure comfort and relaxation. Upon entering the home, you will find a beautiful barrel vaulted great room that brings in enough natural light to brighten the shortest days of the year. The dining and kitchen area combine to create the ultimate entertaining area. Keep the mess and the prep out of sight in the butlers pantry. The main floor is finished off with two suites, study, craft room/laundry and a sun room overlooking the pool area and the lake. The lower level offers two more spacious bedrooms, a fabulous family room with built in cabinetry, fire place surround and wet bar. A must see one-of-kind lake property!
