Very private property with great views is all high ground with mature timber consisting of hardwoods and conifers (lots of Maple, Oak, Birch, Basswood, Popple, and Spruce). There is a driveway approach off 346th Street with a metal gate at the entrance and a trail going to the back side of the property (see pic). There is also a couple hundred acres of public land adjoining that has some seriously aggressive terrain and opens up your "backyard" for additional hunting or hiking!
