Waterfront: Barnum

Status: Active

Description:

Welcome to the lake! This log home is one of a kind. Logs are large and hand scribed, making them fit like a glove! This is about as private a place as you can get. The double lot affords you plenty of space and the private, dead end road, keeps traffic to a minimum. Elevation to the lake is gradual. Wooded shore line is perfect for wildlife. The lake is smaller so big boats do not often come here and hardly ever a jet ski. The fishing is good for sunfish, crappies, northern and bass. Catch and release is encouraged for the larger fish.

The split stone fireplace is a great place to cozy up with a book on that rainy day. Come and see for yourself!
