Description:

They just don't make them like this anymore! From the moment you arrive at this home, you can tell that it has been meticulously cared for! Outside you'll find a manicured lawn with sprinkler system, a beautiful backyard oasis including a screened patio, gorgeous shade trees and plentiful flowers and plants. The "shed" was originally used as a playhouse, but the sky is the limit when it comes to uses for this backyard structure. The charm and character continue inside this must see home. With two bedrooms and bath on the main level and two bedrooms and a bath on the upper level, this smart floor plan feels open and spacious and has room to accommodate many needs. You'll find some original treasures such as the hardwood floors and unique custom built-ins beautifully woven in with the updated bathrooms and kitchen. Upgraded windows, Hunter Douglas window coverings and Corian countertops are only a few of the many quality finishes found here. Inside and out, this home is immaculate and ready for a new owner!
