Description:

Experience the epitome of single-level living in this exquisite 4-bedroom, 4-bathroom patio home spanning over 2,700 square feet of luxurious space in beautiful Breezy Point. Efficiency meets elegance with in-floor and forced air heating, complemented by 9-to-10-foot walls throughout the home. This slab-on-grade home has no steps, making it perfect for everyone. Open the front door to an open-concept, spacious living and dining area with vaulted ceilings, leading into the heart of the home: a stunning kitchen featuring an incredible 11x5 foot granite center island, stainless steel Energy Star appliances, and a walk-in pantry.

The thoughtfully designed floor plan ensures privacy and comfort, with soundproof walls throughout the home. The secluded owner's suite boasts a ceramic tile, dual-headed shower, jetted tub, and an expansive walk-in closet complete with a built-in dresser. The second bedroom has its own private bath and a perfect view of the backyard forest, while bedrooms 3 and 4 share a well-appointed full bath, catering perfectly to family or guests. Additionally, there's a flex room, great for a home office or another guest room. Don't forget to check out the finished heated 35x46 detached garage with 14-foot walls—room to work and park your toys!

Two additional 2.5-acre adjoining lots are available for purchase separately, with buyers given the first opportunity to purchase.

Don't miss the chance to call this meticulously crafted residence your home!
