New York Mills MN 56567

Status: Active

**Description:**

This 20 acre rural property sits in the heart of Otter Tail County's "Lakes Country". The 3 bedroom, 2 bath rambler has been recently partially refreshed with new carpet and paint. A new compliant mound septic system will be installed by the seller. The detached, oversized, 2 stall garage is fully insulated and has an additional 17x22 shop with garage door attached that is also fully insulated. The 40x110 partially enclosed barn used to be used for a commercial farming operation and has power and water available. It has also been partially remodeled and updated. The large mowed old corral/paddock area could be fenced off again for hobby farm use or a potential building site. The large fenced in area in the SE corner of the property has been a very productive garden area in the past and has water run to it through a permanent system. Multiple other outbuildings are present, including a 16x25 former chicken coop/shed. This property has a lot of potential uses currently and also enough area to expand. All of this and within 15 minutes easily of New York Mills, Ottertail and Perham and all the recreation and lifestyle events and activities this area of Otter Tail County has to offer!!
