Check out this 4-bedroom, 2-bathroom home nestled along 120 feet of the serene shores on Roy Lake. Located on the North side of the Gull Lake Chain of Lakes, this home is the perfect way to get on the chain without being in the middle of the hustle.

Inside, you will find large living spaces with kitchens located on both levels, perfect for multiple families. The 4 season porch overlooking the lake is the perfect spot to watch the sunrise and enjoy your lake view (the sun set glowing on the East shores pine trees is stunning as well). The bedrooms are large in size, especially the lower level bedroom which makes for the perfect bunk room.

Roy Lake is a gem on the Gull Lake chain. With easy access to the main lake or a quick shot into Nisswa, Roy Lake is centrally located and perfect for someone looking to avoid the hustle of the main lake. This home is located on the South end of Roy offering great protection from the wind and allowing for more "lake days" than other parts of the chain.
