Description:

Welcome to peaceful, rural Wadena, where harvest season is in full swing and the countryside is a canvas of gold, perfectly accented by vibrant autumn hues. This sweet, little 5-acre homestead rests quietly on a gravel road, hemmed in by neighboring corn, prairie grasses and thoughtfully planted hedge rows — defending those westerly winds and impending snow drifts. Store everything in the spacious pole building and never fret who has to back up the trailer. Dual-end overhead doors provide drive-through convenience. Furthermore, this home is wheelchair accessible and features a large living room; a bright, warm family room addition, a functional laundry room/bathroom combo and open basement.
