Description:

This inviting, move-in-ready, 4-bedroom 2-bathroom home sits on 5 acres of land just north of Deer Creek. Enjoy the country style home living but being just a short mile from town. This house has several updated amenities including a brand-new washer and dryer with Wi-Fi capabilities, new flooring throughout the house, and updated kitchen cabinets and sink with new plumbing. The large basement of this house offers plenty of storage space and could make an excellent playroom for those little ones or remodel it to a family entertainment area – the ideas are endless. This home offers 2 decks, one to enjoy your morning coffee at sunrise and the second deck to sit back relax and enjoy the sunset. As you move outside the yard offers plenty of room for family entertaining, yard games or other activities. Did I mention the abundance of morel mushrooms, wild asparagus, June berries, strawberries and garlic chives. Additional flowering/fruit bearing trees include an apple tree, crab apple tree and two plum trees. Finally, the outside offers two outbuildings, a large shop with electricity, a large lean-to, and two sheds.
