Description:

Own a piece of paradise! This 4 bedroom, 4 bath one-level living home sits on 14.44 acres of wooded tranquility. The deck and the walk out basement will bring you to your own retreat filled with wildlife. The floorplan provides a primary suite with a large bathroom and closet. The kitchen, with abundant cupboard space, is centrally located in the house and because of the clever window it becomes a part of the living room. Natural light is abundant throughout the house. Downstairs features a family room and a bonus room that could be used as a media room. The built-ins in the lower level room would be perfect for an office or hobby room. Storage is abundant. Be sure to look through all the photos to see everything this property has to offer. Nothing has been overlooked!
