**Description:**

Welcome to the lake! This log home is one of a kind. The logs are large and hand scribed, masking them fit like a glove. The location is very private and on a dead end road keeping the traffic to a minimum. The elevation to the lake is gradual. A wooded shore line is perfect for wildlife. The lake is smaller so big boats are not common. The fishing is good for sunfish, crappies and bass.

There is a large fieldstone fireplace which is a great spot to curl up with a good book on a rainy day. Most furnishings and all appliances are included. Come and see for your self!
