**Description:**

Nestled in a serene, park-like setting along 355 feet of stunning Woman Lake shoreline, this unique property features two beautifully maintained cabins. They are ideal for family getaways, guest stays, or lucrative rental opportunities. The first cabin is a cozy one-bedroom retreat with a kitchen, family room, and maintenance-free deck. It is perfect for quiet escapes or romantic getaways. The second cabin offers a more spacious layout, featuring two bedrooms, a family room, a dining room, a kitchen, and the convenience of a washer and dryer. Large windows and a screened porch invite you to soak in the natural beauty of the surroundings. Both cabins retain their original knotty pine interiors, while Nor-Son has updated the exteriors. The boathouse, complete with a deck and railings, provides sweeping views of the expansive lake and features a trolley track system for easy boat storage. A sandy beach for swimming and multiple seating areas create picturesque spots to enjoy the outdoors. A fenced garden with an irrigation system is also ready for your flower or vegetable garden. A detached garage, as well as a shed, provide storage for all of your outdoor toys.
