Description:

MOVE IN READY & UPDATES GALORE!

4-bed, 2-bath home sitting on a generous 1.2-acre lot, offering both space and privacy while still being conveniently close to town. Home has been recently updated with a new roof, septic system, siding, and windows, ensuring peace of mind for years to come. Inside you will find an abundance of natural light and will enjoy many tasteful updates; new flooring, bathrooms & kitchen just to name a few! Another one of the home's standout features is the breathtaking sunset views from the new deck off the kitchen—perfect for relaxing after a long day. Don't forget about the 3-stall heated garage; the 3rd stall has been converted to a "man-cave" with french doors to separate it off. The property is also a haven for wildlife, with frequent deer sightings adding to the tranquil, country feel. The expansive yard offers endless possibilities for outdoor activities, gardening, or future projects. This home strikes the perfect balance between country living and convenience. Don't miss out on the opportunity to make this updated home yours—schedule a showing today!
