Description:

Build your dream home on one of the most picturesque lake properties on Blackwater Lake. The lot is well suited for a 2 story walk-out design, which would give amazing lake views from you deck. This lake lot features 1.35 beautiful wooded acres, and 150ft of shoreline. A driveway and home site was recently built, so the lot is ready to build your dream home, or just park your RV and enjoy the lake. The first few hundred feet of the driveway are shared with neighboring lot, which leaves even more space for building. Blackwater Lake features 766 acres of full recreational crystal clear waters, and with depths up to 67 feet offers some of the best fishing around. The picture of stairs is of the neighboring lot just to illustrate what can be done to access the lake from the new lot.
