12031 State 64 Akeley MN 56433

Status: Active

Description:

Introducing the Akeley 151! Located in Hubbard county, known for some great whitetail hunting. This tract sits in a perfect square with multiple access points to be able to hunt the favorable wind. The property consists of timber islands surrounded by bedding, creeks, and some lower ground. Big buck hunters will appreciate the diverse terrain of the land. Game trails and sign boast through the property. With multiple areas to add food plots and stands, a ton of opportunity awaits. Whitetails, bear, grouse and waterfowl are present on the property. A cabin or deer camp set up can be a breeze with electricity close by. Enjoy the 1000s of acres of public land that connects to the property as well. Read for its next deer camp to be established.
