Description:

Once-in-a-Lifetime Opportunity on Coveted Pine Point of Leech Lake. Welcome to an exceptional lakeside estate offering the perfect blend of rustic charm and modern luxury. This stunning home features 2x6 construction with Stevens Point full contour 1/2 log exterior and full log corners and accents, delivering all the beauty of a log cabin without the shifting and settling. The interior showcases the same gorgeous 1/2 log accents, beautifully balanced with drywall and full log features. The heart of this remarkable home lies in its expansive lakeside wall of windows that frame breathtaking views of Leech Lake. The open-concept living area is a masterpiece, centered around a double-mantle stone Wilkening wood-burning fireplace. Salty fir hardwood flooring, sourced from a trestle bridge over the Great Salt Lake, also adds a unique touch. This remarkable home not only boasts exquisite craftsmanship and timeless elegance but also comes with two custom large log carvings, one perfectly complementing the intricate design of the front door carving. The gourmet kitchen is a chef's dream, featuring custom cherry cabinetry, an exterior vented hood (Vent-a-hood), sleek granite countertops, an additional work prep sink, and a walk-in pantry. A DREAMY sunroom porch offers panoramic windows, travertine flooring, a gas fireplace, and a wet bar, perfect for entertaining. The lakeside primary suite is a sanctuary, complete with a gas fireplace, walk-in closet and a fully equipped bathroom featuring a custom walk-in shower, a separate jetted tub, and stunning lake views. The lower level boasts a walk-out family room area, an additional gas fireplace (for a total of FOUR fireplaces in the home), a charming wine room and an extra kitchen/fish cleaning area. If that isn't enough...how about a movie theater? This 9-seat home theater features a Dolby 7.2 surround sound system and a massive 108" screen. Every bedroom is ensuite, with its own private bathroom, plus two additional 1/2 baths for convenience. The grand entrance leads to an expansive upper-level loft area, perfect for additional living space or a cozy retreat. This home also features exquisite tile work, including slate, travertine, and onyx, and includes a main-floor laundry room and desk area. This property also boasts an oversized three-stall attached garage with room for a workspace, a concrete circle driveway, and extensive landscaping. Outside, you'll find a grand covered front entry porch, a large lakeside cedar deck, patio area, lakeside firepit, 200' of pristine rock/sand shoreline and southeast exposure for incredible sunrise views. For boaters, a rare 15' x 30' boathouse awaits, complete with a 60' rail/track system, concrete floor, 110/220 VAC electricity, and a lake pump water system. Special note: For those needing extra sleeping space, the grandkids will happily sleep in the theater chairs! Enjoy the virtual tour today!
