#### Description:

Flip the turn signal and prepare to leave US-71 behind. This property may have a highway address, but that's about the only thing they have in common. Immediately enter a different world, leading under the tree canopy to a thoughtfully arranged homestead that's fit for so many lifestyles. Truck drivers, RVers, motorsports gurus and tractor collectors line up. The massive, modern pole building with towering overhead doors is just waiting to welcome your collection. What's more, the separate two-stall garage is like a matching little sibling, same outfit and all. From there, head inside the house and appreciate a wide-open living room, a full master bedroom/bathroom setup and overall clean and sharp-looking interior. A newer composite deck overlooks the secluded backyard, but there's even a wheelchair access and patio entrance on the other side. Quality, versatility, space and functionality are all words that define this property and its amenities. It has the ultimate appeal.
