Waterfront: Leech

Status: Active

Description:

Escape to the beauty of northern Minnesota with this spacious and inviting lake home spanning three lots, offering shared access to a pristine lakefront on coveted Kabekona Bay of Leech Lake. Tucked away in a peaceful community, this property combines the charm of lakeside living with the comfort and convenience of a year-round residence.

Built in 2023 this home is better than new. Step inside to find 3 bedrooms and 3 bathrooms, an open-concept main level, and large windows that bathe the home in natural light. The kitchen features quartz countertops, double ovens, gas cooktop, butler's pantry, and ample island seating. The kitchen and dining room flow seamlessly into the cozy all season sunroom, and a living room complete with stone fireplace. The attached double garage is pristine and leads to a generous loft for guests or office space.

Enjoy morning coffee and evening sunsets from your private home, or take a short walk to your shared lake access — perfect for swimming, boating, fishing, and soaking in the Minnesota summers. This property includes 3 boat slips.

Additional features include a detached oversized garage, abundant outdoor space, paver patio, and so many upgrades. Conveniently located near the thriving town of Walker, MN.

Whether you're looking for a serene retreat or a place to gather with family and friends, this home delivers the best of Minnesota lake living without the high maintenance of private lake frontage ownership.
