Status: Pending

Description:

Discover this stunning 4,000 sq ft home nestled on 19 wooded acres between Garrison and Brainerd—offering space, privacy, and modern comforts. The main level welcomes you with a spacious foyer and a gourmet kitchen featuring stainless steel appliances, quartz countertops, a center island, and a breakfast bar. The heart of the home is the expansive living room with a soaring stone fireplace and panoramic views of the serene backyard. Enjoy seamless indoor-outdoor living with a dining room that opens to a wraparound deck and relaxing hot tub.

Also on the main floor is a versatile bedroom with walk-through access to a 3/4 bath—ideal for guests. Upstairs, the private primary suite includes a full bath, walk-in closet, and a private balcony. An adjacent office loft overlooks the main floor and is currently set up as a nursery. The walk-out lower level features two additional bedrooms, a large family room, a laundry room, and an oversized storage area for all your needs.

Thoughtful updates throughout include new main-level flooring, fresh paint, carpeting in hallway and stairs, a new refrigerator and dishwasher, and an on-demand water heater. Whether you're looking for a peaceful retreat or a spacious home to entertain and grow into, this unique acreage property delivers beauty, functionality, and comfort in a picturesque Northwoods setting.
