Description:

Benedict Lake Home on Leech Lake Chain. This property is a gem with 258 feet of sand/rock frontage and 1.8 acres with a park like setting right next to the Paul Bunyan State Forest. This charming log and stone sided lake home features 3BR-2BA with a grand master bedroom suite with lake views, walk in closet and elegant master bathroom retreat. The great room features a stone gas burning fire place with cathedral ceilings and a wall of windows facing the lakeshore. Entertain your family and friends with a full walk-out basement that includes a game room, which features a wood burning fireplace and pool table! Benedict is an incredible lake with great fishing high water clarity and a max depth of 91 feet! My favorite feature of this home is the elevated entrance through the cedar and pine trees. Lots of room for the toys- 3 separate garages one insulated and heated. Schedule your appointment today.
