Description:

Beautiful Custom Home in Timber Creek – Tucked in Quiet Cul-de-Sac!

From the moment you step inside, you'll notice the super functional layout —perfect for everyday living and hosting friends and family. The open main floor has a great flow, starting with the kitchen—complete with a walk-in pantry—plus a handy laundry room and half bath right off the garage. The gourmet kitchen opens up to the dining and living room, where large windows and a stone fireplace make the space feel warm and bright. You'll also find the primary suite on the main floor with a spacious en-suite bathroom, as well as a guest bedroom and full guest bathroom—perfect for visitors or a home office setup. Downstairs, the finished basement gives you even more space to spread out—whether you need a second living area, game room, or guest setup. You'll find a large open space with a wet bar roughed in (ready for your finishing touches), two additional bedrooms, a full bathroom, and a flexible space that could be used as an office, playroom, or gym.

Additional highlights include tray ceilings, prep sink in kitchen island, granite counters, double oven, poured concrete foundation, gutter guards, a full sprinkler system, and zoned heating for year-round comfort. The heated 3-stall garage offers plenty of space for vehicles, tools, and storage.

Don't miss your chance to own this beautifully maintained, move-in-ready gem in Timber Creek!
