Description:

Located in Deer Management Zone 240, this property represents the epitome of prime whitetail deer habitat. A quick glance at the drone photos reveals a network of well-worn trails—a clear sign that deer and other wildlife call this land home. The property sits in an area renowned not only for producing top-end bucks but also for its high deer density, both of which are evident from the abundance of deer sign across the land.

This is a true “clean slate” property, offering you the rare opportunity to tailor it exactly to your hunting goals. Design and place your food plots where they’ll be most effective. Strategically position your deer stands for maximum advantage. Whether you envision a rustic hunting cabin or a forever home, this buildable parcel gives you the flexibility to bring your vision to life.

While it’s undeniably a whitetail-focused property, there’s no shortage of additional wildlife. During a recent walk, multiple pheasants were flushed—proof of a healthy upland bird population—and turkeys are frequently seen on the grounds.

If you're looking for a well-located property in a strong neighborhood, ready to be customized for your specific hunting and recreational needs, this one deserves a closer look.
