41 Acres
Raw Land

TBD White Rock Lane
Longville MN 56655

Waterfront: Leech

Status: Active

Description:

Tucked into the quiet side of Leech Lake near Longville and Brevik, this rare stretch of land is more than just a lake lot—it's a chance to create something unforgettable. With over 1,000 feet of rippapped shoreline and 40+ acres of rolling hills, wetlands, and towering trees, the possibilities are wide open. Build your dream up-north getaway, design a luxury family compound, or explore the potential to split into multiple lakefront build sites. Trails have already been cut throughout the property, making it easy to tour the land and take in its west-facing lake views and expansive natural beauty. Bordering nearly 1,000 acres of Chippewa National Forest, this is a paradise for hikers, hunters, and anyone craving true seclusion with a lakefront backdrop. This kind of opportunity doesn't come around often—schedule your tour to walk it for yourself. No drive-ups or drop-ins, please—tours by appointment only.
