Description:

Just past Cuyuna State Recreation, follow Paul Bunyan Scenic Byway until turning onto your private drive, lined with tall pines. At the clearing you'll see it's beauty, a custom Norson built log home, right-sized at 3,200SF, on the shore of Fawn Lake. This Minnesota estate offers lakeshore AND over 7.5 acres - truly the total package of privacy, serenity, and lake life. The kitchen is the heart of the home with endless granite breakfast bar for gathering, gorgeous cabinetry, and pantry. Open and soaring vaults in the family room let in all the light and showcase the spectacular sunset view over Fawn Lake. Main level primary feels like a vacation destination featuring ensuite jetted tub and heated floors, gas fireplace, large walk-in closet, easy laundry access and separate deck entrance. The walk-out lower level offers additional entertainment space with open family room, wet bar, and pool table room. Guests can choose from three spacious bedrooms (two on lower level and one upstairs), and the loft is an ideal home office, exercise, or creative space. Outdoors you can gather on the sprawling lakeside deck or paver patio with firepit. The yard will accommodate lakeside lawn games and is just a few feet from water's edge and your private boat dock. No steep elevation or stairs to the shore! The oversized attached garage is heated with floor drain, storage closets and optional kennel set-up. A 48x40 pole building built in 2020 offers plenty of room for all your toys, plus RV hookup for visiting guests.
