Step inside and feel right at home. The side-split layout gives everyone their own space, while still keeping things open and connected. Whether you're hosting friends or enjoying a quiet night in, the main living area—with its warm fireplace and big windows—is the perfect gathering spot. This home has been well cared for, with smart updates like new siding, a new roof, freshly finished deck, and updated railings—so you can spend more time enjoying the lake and less time worrying about maintenance. Whether you're looking for a full-time home or a weekend escape, this is a place where memories are made—bonfires on the beach, coffee on the deck, and long summer days that end too soon.
