Offered for the first time in generations, this rare & cherished family-owned property on the “Gold Coast” side of Big Sand Lake is a once-in-a-lifetime opportunity. With 1.23 acres spanning two parcels & 106' of level, sugar-sand shoreline, this classic 1940s cabin is the true Northwoods retreat. Set among towering pines in an ideal neighborhood with an active lake association, the property offers privacy, community, & timeless character. The zebra mussel-free, turquoise, crystal-clear waters of Big Sand are among Minnesota's finest—perfect for canonballs off the dock, swimming, boating, & listening to the call of loons. Inside, the 3BD 2BA cabin is filled with original charm, including knotty pine walls & ceilings, an open floor plan, & a cozy den. The spacious living room features a stunning wood-burning stone fireplace, while the on-suite primary bedroom offers comfort & convenience. Generous closet space throughout adds function to the vintage style. An unfinished attic with daylight windows offers endless possibilities for expansion. A large lakeside deck invites you to relax, entertain, & take in the majestic west facing water views. A detached garage provides extra storage for lake toys & gear. Whether you're seeking a peaceful getaway, a family gathering place, or a legacy property to pass on, this is a truly rare find on one of Minnesota's premier lakes.
