Longville MN 56655

Status: Active

Description:

Channeling deep small-town vibes and wrapped in the quiet hush of pines, this home sits at the end of Nellie Lake Lane, on Reds Pond like a secret meant only for the next owner. Few towns greet like Longville — where the charm is real and the pace is slow, just like the turtle races! A mere bike ride or walk from town, this property fits right in, yet disappears into its own world off Nellie Lake Ln. Log-sided on the outside, clean-lined and modern inside, it's a lovely contrast — warm, spacious, and thoughtful. Sit on the front porch in the kind of afternoon warmth that offers no escape from an impending nap. The unfinished basement is a cool, comfortable working environment to put the final touches on your ultimate vision. From there, stomp around on 6 plus acres of wooded Longville that abutts Red's Pond. It's all perfectly located in the heart of big-lake country, with Woman Lake right in town, and the renowned Leech Lake just 10 minutes away!
